

AI ETHICS INTERNATIONAL

GENERAL TERMS OF ENGAGEMENT

Adopted on 13th Jan 2019 , in Kolkata, India

Introduction:

This General Terms of Engagement provides the basic criteria of engaging the Guest Contributor and their area of functioning.

Guest Contributor function will encouraging to those , who are motivated in the Vision of this movement, however, is not in a position to commit sufficient time for other commitments. Therefore, they will not be a fulltime member, however may remain committed to extend support towards the following activities in same stature as a Member Contributor-

- *information gathering,*
- *commenting on the questionnaire used for evaluating certain status,*
- *commenting on improvement,*
- *fund raising*
- *whistleblowing,*
- *volunteering for different seminars or programs organized by Secretariat or the National Chapters.*

They can show their interest in inclusion in the team for functioning and could be part of any certain program or supporting a National Chapters or the Secretariat. On regularity of involvement and finding motivation from the Vision and Mission of the organization, one may apply for a member Contributor position.

Presently the Guest Contributor will be selected by National Chapter in consultation in full confidence of the Secretariat.

The Guest Contributor can contribute to the National Chapters or the Secretariat directly.

Guest Contributor will be the flagbearer to promote this movement to develop the awareness of all stakeholders. They will deliver following the roadmaps that will be developed in the AI Ethics International's annual agenda and plans.

Guest Contributor needs to uphold the highest standard of integrity and accountability towards AI Ethics International's policies and standards.

Accepted the Terms of Engagement as mentioned above.
