

AI ETHICS INTERNATIONAL

GENERAL TERMS OF ENGAGEMENT

Adopted on 13th Jan 2019 , in Kolkata, India

Introduction:

This General Terms of Engagement provides the basic criteria of engaging the Member Contributor and their area of functioning.

Member Contributor function will be encouraging to those, who are motivated in the Vision of this movement and able to commit sufficient time to extend support towards the following activities -

- *information gathering,*
- *commenting on the questionnaire used for evaluating certain status,*
- *commenting on improvement,*
- *fund raising*
- *whistleblowing,*
- *volunteering for different seminars or programs organized by Secretariat or the National Chapters.*

Subject to the approval of the Chair, they can take part in a committee also, if they have requisite expertise on the same field. They can show their interest in inclusion in the team for functioning and could be part of any certain program or supporting a National Chapters or the Secretariat.

Presently the Member Contributor will be selected by National Chapter in consultation in full confidence of the Secretariat. Member Contributor can also be part of Secretariat.

The Member Contributor can contribute to the National Chapters or the Secretariat directly.

Member Contributor will be the flagbearer to promote this movement to develop the awareness of all stakeholders. They will deliver following the roadmaps that will be developed in the AI Ethics International's annual agenda and plans.

Member Contributor needs to uphold the highest standard of integrity and accountability towards AI Ethics International's policies and standards.

Accepted the Terms of Engagement as mentioned above.
